I can go potty in the toilet just like my friends!

Sometimes I don't like going potty, but I can try. I am a BIG kid now.

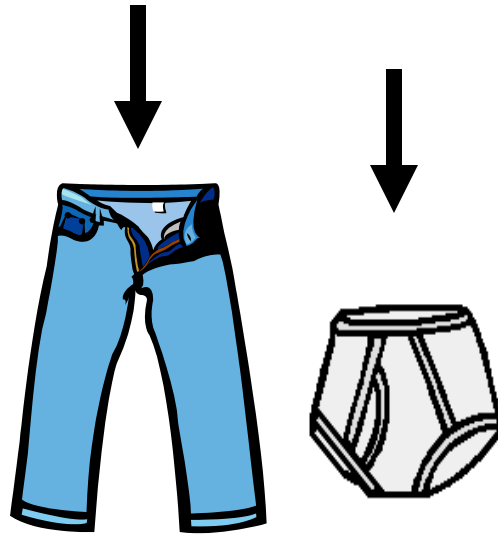

If I go potty in my pants, I get messy and I miss all of the fun while I have to clean up.

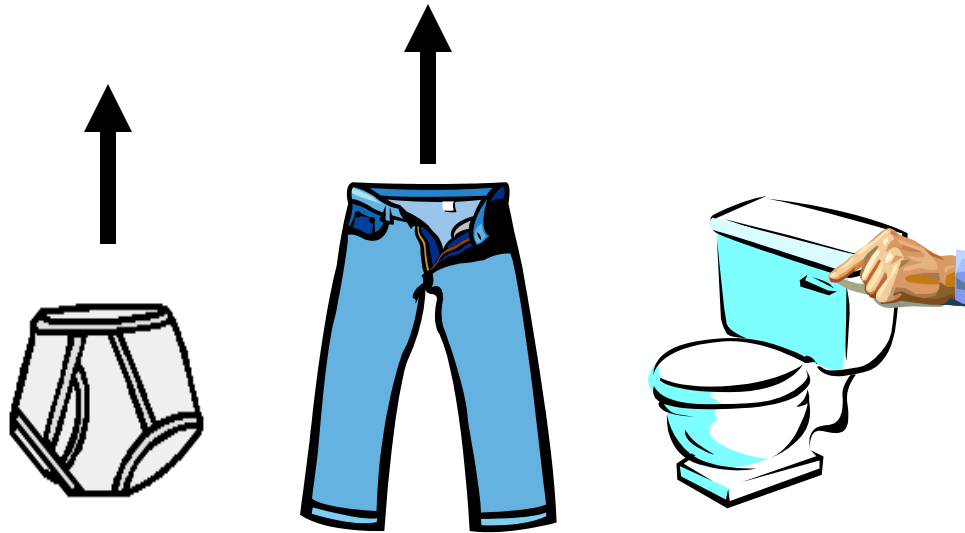

I can try to go in the toilet next time.

When I need to go pee, I can stand to go potty.

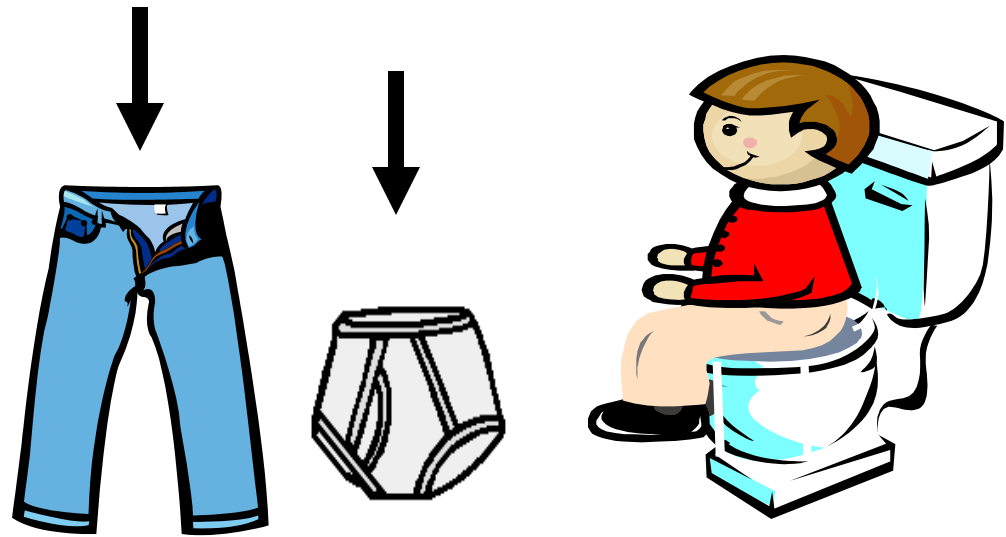

I can go in the bathroom and pull down my own pants. I lift the seat and go potty.

When I am all done going potty in the toilet, I pull up my underwear and pants. Then put down the seat and flush the toilet.

When I need to go poop, I can sit on the
toilet.

I can go in the bathroom and pull down my own pants to go potty on the toilet.

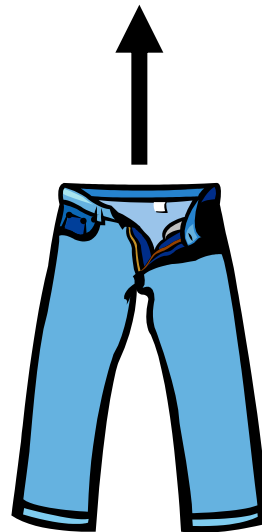

Sometimes it is hard to go poop.

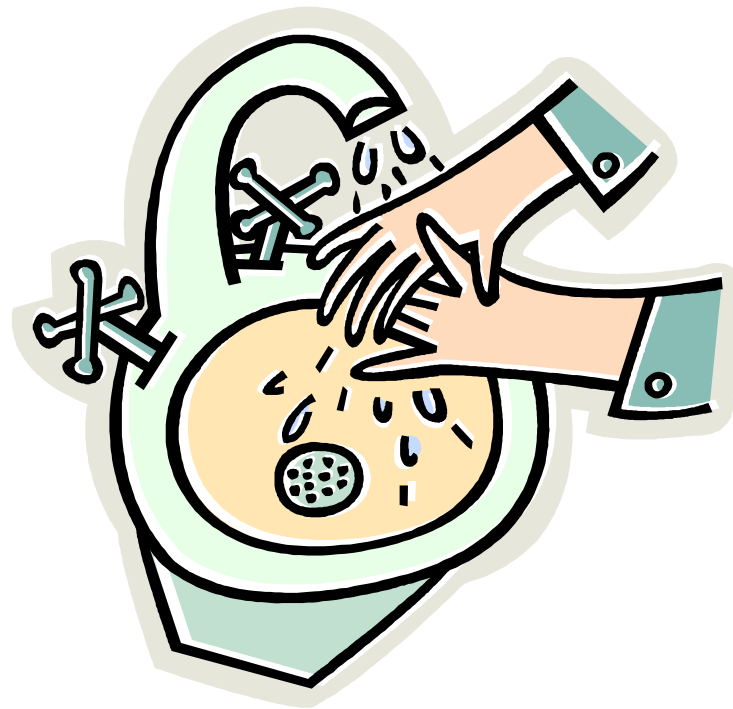

I can look at a
book or hold a
small toy while I
am trying to
poop.

When I am done going potty, I can wipe, pull up my underwear and pants, and flush the toilet.

After I go potty on the toilet, I need to wash my hands.

I can turn on the water and get my hands wet.

I can remember to use soap all by myself.

After I scrub my hands for a while, I rinse off the soap.

When I am all done, I can turn off the water.

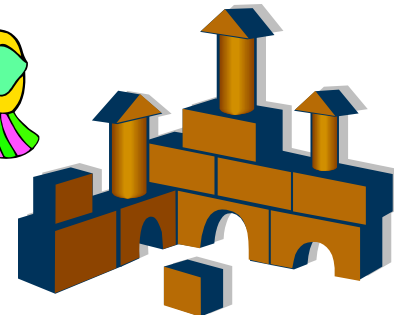

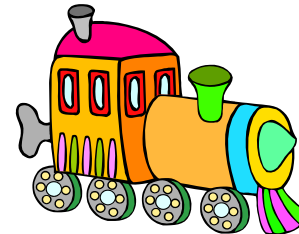

I dry my hands. If I use a paper towel, I throw the paper towel in the garbage. Some bathrooms have dryers or cloth towels to dry your hands with.
